Esse livro virtual é dedicado a todas as mães do Colégio Peres

# AMOR EM FORMAS

Foram 298 desenhos. Foram 298 pessoinhas manifestando literalmente de várias FORMAS o amor. Espero que você curta cada desenho, percebendo os traços e as evoluções graduais de cada turma. Infelizmente alguns alunos faltaram ou deixaram de fazer a atividade... Mas, acredito que 95% puderam expressar seu amor e carinho por você mamãe querida. Mas... Porque formas? fiquei pensando nessa trajetória materna:

A Mãe tem sempre uma FORMA que transFORMA, inFORMA, conFORMA, reFORMA :

Ao saber da gravidez, um pequeno ser, ainda sem uma FORMA definida é gerado.

Dentro do ventre, aquele ser vai se transFORMando. Quando do nascimento, aí sim, tudo se transFORMA em cores, risos, choros, alegrias, certezas e incertezas - tantas FORMAS de sentimentos.

Um menino ou menina, de FORMA tão peculiar vai crescendo e assim a mãe inFORMA, ensina-o a falar, a andar, a crescer , a viver e a ser um ser sempre melhor. Esse é o legado de Mãe!

A mãe também participa da reFORMA de corações partidos por conta das desilusões, das frustrações com conselhos e sabedoria.

O tempo passa...

E a mãe se conFORMA -quando esse menino parte para casar, fazer intercambio, morar fora - quando sai para voar - pois percebe que cumpriu a sua missão.

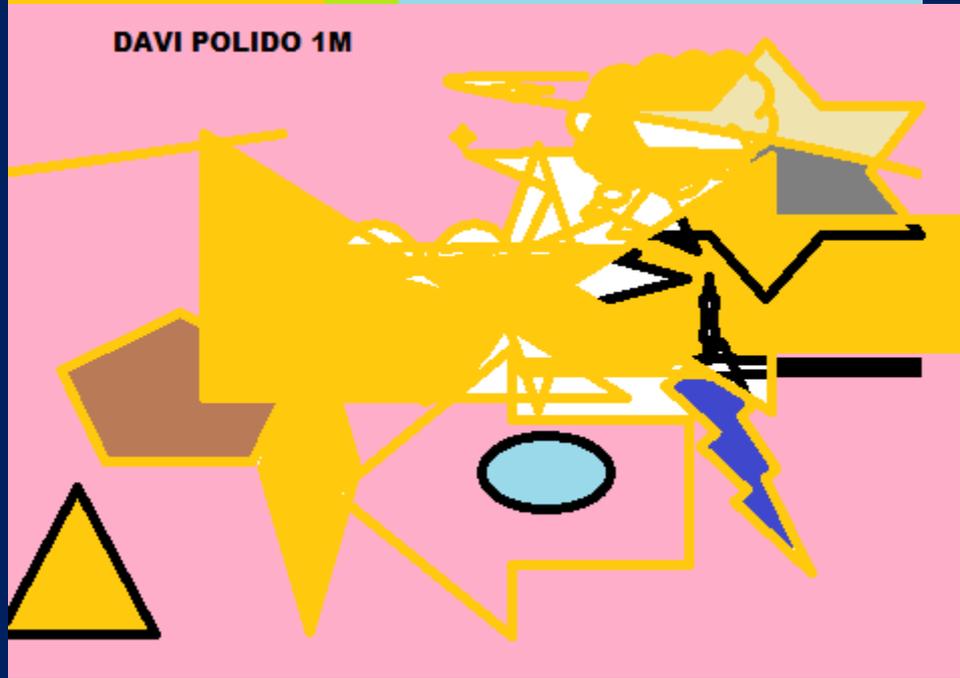

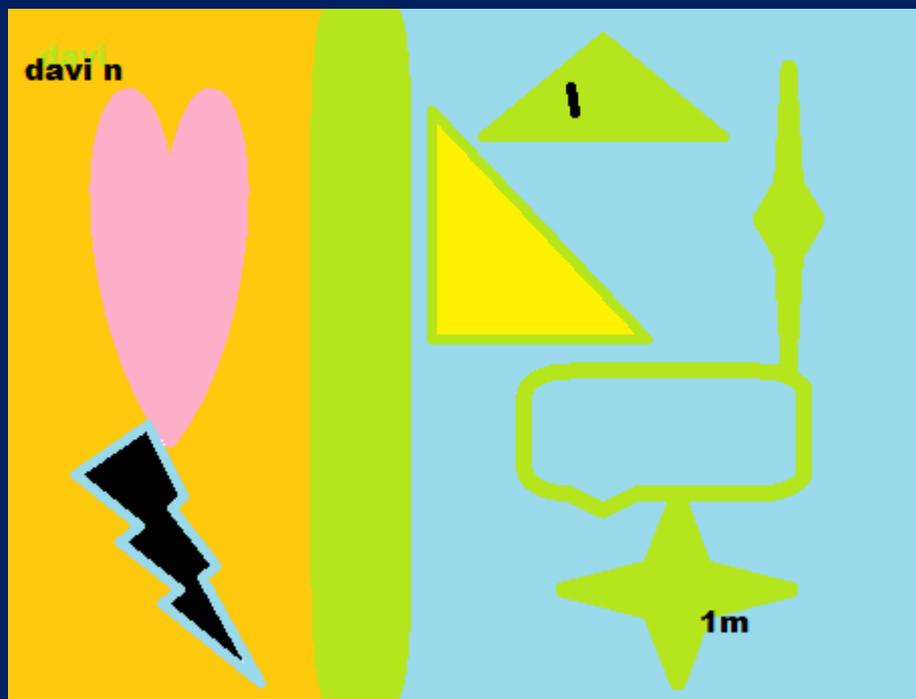

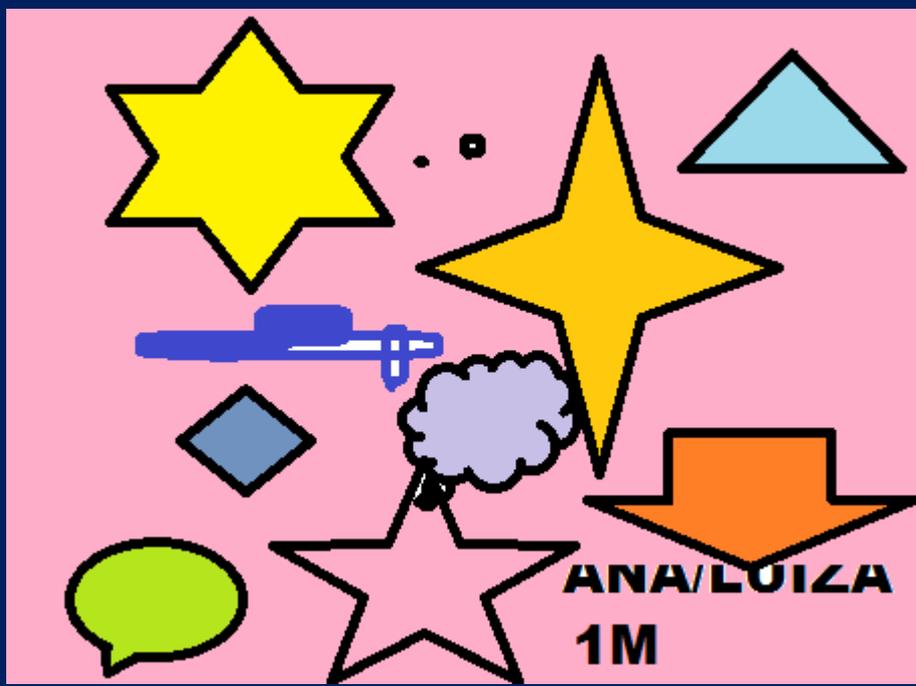

É nesse ciclo da vida de tantas FORMAS de ser, do SER que nos faz crescer e aprender.

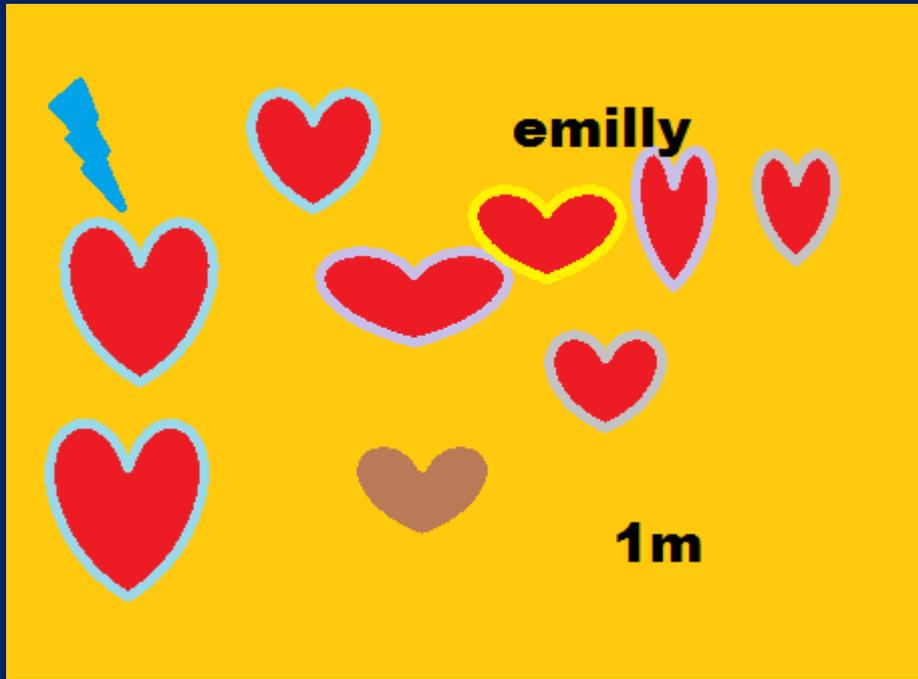

FELIZ DIA DAS MÃES, que seja uma turbilhão de FORMAS FELIZES!!!
